KSEE Runway Incursions Category C & D

Category	Description
Accident	Refer to ICAO Annex 13 definition of an accident.
A	A serious incident in which a collision was narrowly avoided.
B	An incident in which separation decreases and there is a significant potential for collision, which may result in a time critical corrective/evasive response to avoid a collision.
C	An incident characterized by ample time and/or distance to avoid a collision.
D	Incident that meets the definition of runway incursion such as incorrect presence of a single vehicle/person/aircraft on the protected area of a surface designated for the landing and take-off of aircraft but with no immediate safety consequences.

32

Airport Long Term Initiatives:

- FAA Requires Standardized Online Ground Vehicle Training Program
- *FAA Recommends Evaluating Potential Fine Structure*
- Continue 8-foot fencing as airfield projects are complete (90% of airfield is high fencing).
- Add a **north and south section** of the **Vehicle Service Road**
 - This would create a continuous VSR around the entire airfield, eliminating runway crossings at 17/35.
- Applying for grant to complete western section

Vehicle Service Road extensions

33

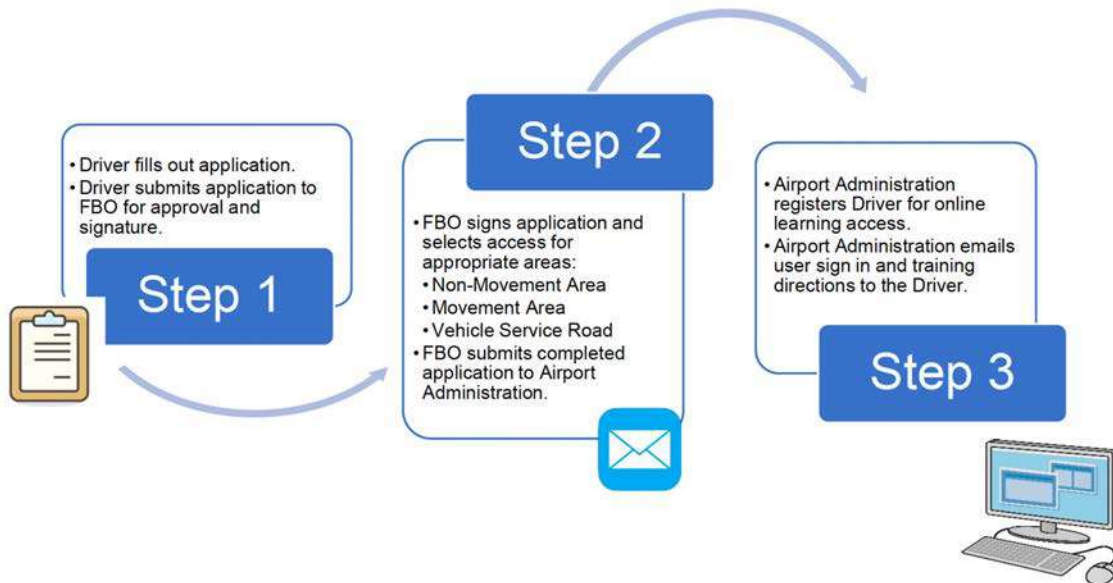

Problems?

- There are 19 FBO's with leases at KSEE
- 5 of the 19 have not set up Signatories to sign your application yet
 - Availability of Signatories
- *How to add FBO's after application turned in?*
- What exactly is FBO liability for unauthorized driving on their ramp?
- Gate code changes Jan 1, 2022
- **Movement Area Must have:**
 - Business Sign on the side of your car (or hangtag issued by Airports)
 - 2-way radio
 - Rotating beacon (amber) or checkered flag
- Meeting to modify...
